Unleash the Power of Genetics: Introducing the Elite EPD & Phenotype Heifers of the Texas Angus Association  
Stars of Texas Sale - **January 20, 2024**  
at the Ft. Worth Livestock Show.

Pearcy Angus Ranch is proud to offer two shining stars from our exceptional heifer crop that came to the top with elite pedigrees, excellent EPDs and remarkable phenotype. Here are two promising donors that showcases PAR's breeding program.

AAA-Reg. No. +\*20657186

CED	BW	WW	YW	CW	MARB	RE	\$W	\$F	\$G	\$B	\$C
+7	+1.4	+91	+160	+80	+1.19	+97	+87	+124	+84	+209	+336

A Hollywood growth-curve daughter, Blackcap 3489 is the front pasture kind and is a direct daughter of the \$92,000 valued Percy & Zybach donor, Blackcap 4349, who has generated \$100,000 in progeny sales in 2 years. 3489 has 19 different traits in the top 20% of the breed. This one has power and performance in one complete package.
